COME JOIN OUR TEAM!

We are seeking young women (ages 8-18) who love to play softball, put team before self, and exhibit exceptional sportsmanship to join our travel softball organization! Open tryouts for 10u, 12u, 14u, and 16u teams. Interested in 18u team tryouts? Email us!

OUR PURPOSE

- The primary goal of **Diamonds Softball** is to help young women to develop and succeed in competitive softball. But equally importantly, we seek to prepare our athletes for life by encouraging academics and engaging in our communities.
- We prepare our athletes to meet their softball goals including playing at the collegiate level. For many, **softball is a pathway** to furthering their education.
- Our head coaches at older levels are **college and high school softball coaches** with extensive training and experience as well as current or former collegiate softball players.
- We provide our players **unique experiences** that they will remember for a lifetime such as clinics with college coaches, college recruiting and nutrition seminars, and chances to play on collegiate fields.
- Our aim is to encourage and promote the game of **fast pitch softball** through quality instruction and travel team experiences.

1

LOVE SOFTBALL

Love of the game, attitude, and work ethic are most important.

COME TRYOUT

Join us for tryouts on August 9, 2020

Strong on the field

Building high performing athletes that win!

Leaders in the classroom

True student athletes among best in their schools.

Girls with a future

Sportsmanship and integrity to develop strong women.

WHAT TO BRING

- Softball glove
- Bat
- Softball mask
- Cleats/spikes
- Water
- Catchers equipment (for those who play position)

COVID19

Our organization follows strict protocols for the health and safety of our athletes and coaches. Health checks are required before practices and equipment is washed after. Each athlete is required to have her own equipment. Social distancing is required during warmups and skill development. We encourage masks.
